Case No.: 2:12-CV-00122-GMN-GWF

MINUTE ORDER

11 Before the Court for consideration is Plaintiff Milton O. Crawford's Motion Requesting
12 Clarification (ECF No. 96). Having read and considered Plaintiff's Motion,

13 The Court advises Plaintiff Crawford that the Court's Order that the Mandate be "spread" upon
14 the records of this Court is essentially an order taking judicial notice in this case of the fact that the
15 Ninth Circuit Court of Appeals issued an opinion in that case, so that now that order is part of the
16 record in this instant case.

17 Date: December 18, 2012.
